You're running away!
Don't mind it, let's go

Actually, a holy beast doesn't have an actual body.
So, a deer is now an egg?
Holy beast ?

The holy beast will be able to take the shape of it's vessel.
But, once it enters a vessel.

It will leave it's vessel and prepare to move to a next vessel.
Right now Naruki is at this stage.
But, if it can't maintain it's form.
Like it's vessel dying.

Deer ?
Deer man?
Now it's resting in a vessel.

Before it was a beautiful and pround male deer.
Huh ?

Sigh, how can you be so ignorant?
Huh huh?
Sorry, can you start from the beginning?

Everyone in town calls it the "Crimson Holy Beast"
Naruki is the protector of this land,

I prayed to Trace's Toira,
So
!
It dropped?
To change my form,
After flying to so many cities,
I finally found Naruki here!
Ah, ah! What a heart rendering story
I know, I know
:
So
,
Your appearance
,

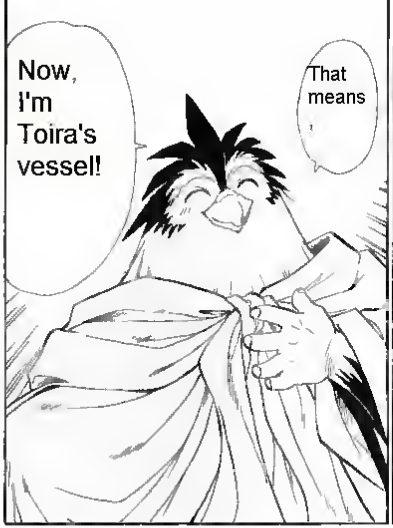
A suspicious person approaches the defenseless Naruki
But

I kept running till we lose track of that person.
Luckily, I took Naruki and escaped.

What
?
ガバラ…
While I'm escaping, I lost track of Naruki…
Ah, where could it go…?

Aren't you the same as me?

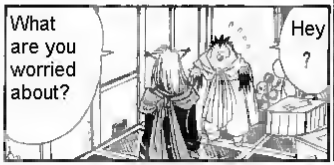
Yes!
Then let's go and rescue it!



Now, I'm Toira's vessel!
That means

As I've said, I prayed to Trace's holy beast, Toira, for power.

That time, I can say good bye to this body!



What are you worried about?
Hey ?

But, it's only for the time being. Once this mission is finished, it should leave my body.

Mr_Mr Hars?

The bed is so soft~
Wow

I'm here to find you today.
You stop lying!
Go back !
you are here to bully Laku again aren't you!
What is your true aim!
Why must you keep pestering me!
That... My home-land,
Huh ?
It's in an isolated valley
True aim.
Ah
How should I put it?
you hate me ?
Be because
You are very cute today too!
Good day, my sweet little girl~1
Of course
Mr Hars is doing to fight with Laku again!
Yes where is my love rival?
Laku is not here!
To fight for women, that is the duty of a man.

That is also one reason
Ha
I'm here today to date a pretty girl.
Does it sound fake?
Why
...Are you travelling with that person...?
Ah, can I ask you?
Sorry, I...
I'm worried about Lakute.

We kept thinking that we can't do anything.
It's a land that even the gods have abandoned
Who's trying very hard to save people like us
...there's soneone
Just to fulfill this person's dream.
I came on this journey.

What is it?
I have a bad feeling...
Please be alright Naruki.....
AS
!
What are you trying to do!!!!

Mr Lakute!
NO
!
Help
!

Who cares!
If you stop running around, I won't have to deal with them.
Our opponent captured Naruki!
Who asked you to attack me!

Please teach him a lesson!

Hand it out now!
Right right!

The egg that you have stolen
My puppet..!
Please wake up.

What are you saying...!?

What are you people!
Return Naruki to me!

Thi... Thieves!?
*Sigh... Yes, yes, yes
Go teach him a lesson! Mr Takute!
If you don't return it to me, I'll take it back with brute force!

Don't even think about it!

The Crimson holy beast resides in there!
Yes
Ah
Though on the topic, what is this?
You still dare to trick me! I'll break it to see what's inside!
Mr Issac
If you break the egg, Naruki will escape!
You want that to happen!?
Then, you will become the next vessel!

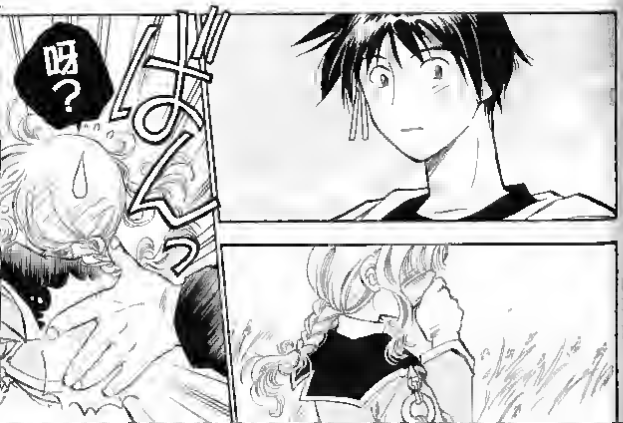
I'm only taking something that had fallen from the sky onto my head!
I'm talking about the egg
You say who stole what!?

Had I !?
Had I done anything wrong!?

It's bad enough that you have such a face, but your actions are ridicious!
You entered my home without invitation and destroyed parts of it, and without explaination, want me to hand over something I've picked out to you...
Isn't this too rude?
The egg... Return it...

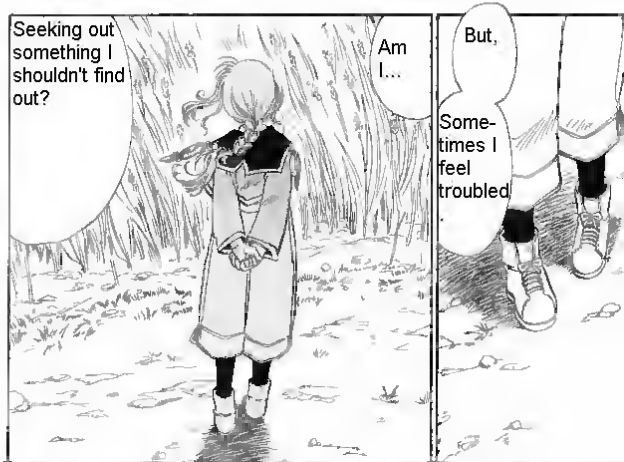
We've rescued Naruki~!
We've succeeded Mr Lakute!
This way we can regain our true selves!
Wolfman
狼人
Birdman
鳥人
You want to look like us?
What!
什麼
But those aren't broken by me
We are sorry We will pay for eveything we have broken
Thank you very much
ぼお

I keep feeling, everything will end....
If one day... I found out Laku's real identity,



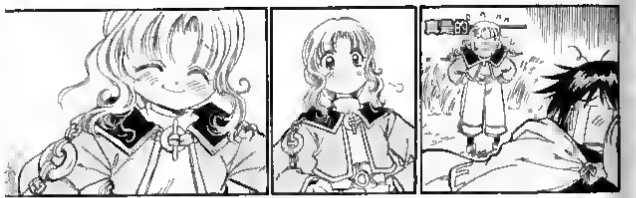
吗?
ばん

I want to fulfill Laku's wish
I am the same as you,



Seeking out something I shouldn't find out?
Am I...
But,
Some-times I feel troubled.

That isn't anything good!
Create with me a beautiful melody of love~
That's right When your journey with the wolf man ends



Thank you Mr Hars!
Yes
That's true.

If a relation-ship ends
Just go and seek out a new one!
From what angle are you look at!

Happiness will be waiting for you!
After something sad has passed,
